88 M. H. MARIGOWDA, *Secy.*

OFFICE OF THE SENIOR ASSISTANT BOTANIST, PADDY RESEARCH, BANGALORE.

Notification.

Sealed tenders will be received by the undersigned up to 3 P.M. on the 15th August 1945, for the supply of cattle feed and miscellaneous articles required for the Paddy Breeding Station, Nagenahalli, Mysore (6 miles from Mysore on the Mysore-Bangalore Road) during the official year 1945-46. Tenders will be opened by the undersigned at 4 P. M. on the same date in the presence of as many tenderers as may choose to attend and the rates will be read out to them at his office in Bangalore.

The approximate quantities and description of articles required are given in the statement below. Tenders should be superscribed "tenders for supply of cattle feed and miscellaneous articles for the Paddy Breeding Station, Nagenahalli, Mysore."

An earnest money of Rs..50 should be deposited in the Mysore District Treasury in favour of the Senior Assistant Botanist, Paddy Section, Bangalore, and the treasury challan obtained therefor should accompany the tender, without which the tender will not be considered.

Tenderers should quote for the delivery of the articles at any mentioned place at Mysore and each group of articles will be considered as separate tender by itself.

The quantities given in the statement are only approximate and actual quantities to be purchased during the year may be more or less. If quantities more than mentioned in the schedule are required, the successful tender will be bound to supply such additional quantities at the accepted rates.

No claim for compensation on account of rise in prices due to whatever causes will be entertained during the contract period.

The successful tenderer should be prepared to supply such quantities of various articles as may be required from time to time, such indents being complied with within two days from the date of their receipt.

The final acceptance of any tender will rest with the Director of Agriculture in Mysore, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

The name of the successful tenderer will be intimated in due course and he will be required to execute an agreement within three days from the date of acceptance of his tender.

Fractions of an anna in the totals of bills will be rounded to the nearest anna.

The articles should be good and will be liable to be rejected at the expense of the tenderer if they are otherwise.

The earnest money deposited with the tender will be forfeited to Government by the tenderer whose tender is accepted, if he fails to execute the necessary agreement. The earnest money received with the rejected tenders will be refunded to the parties.

Should the successful tenderer fail to comply with any of the conditions stipulated in the contract let to him, his contract shall forthwith be cancelled and the earnest money forfeited to Government. Further in the event of the successful tenderer failing to fulfil the contract within the prescribed time, the undersigned reserves the right to purchase the required articles in the open market at his risk and expense. and claim damages. The tenderer should also bind himself to supply any other articles required by the station at the current market rates.
